Working in partnership

Dear Sir/Madam

Resurfacing Works, Nightworks

What we're doing

Resurfacing will soon start along **the High Street /South Street, Cuckfield**, from the High Street to Church Platt.

For further updates or amends to our programme, please visit our web page:
www.westsussex.gov.uk/travelinfo

How will this affect you?

Work is expected to take place on **Tuesday 8th May** for Six nights between the hours of **7pm to 6am**, Nightworks generally occur whenever Dayworks are deemed to be too disruptive to traffic. We apologise for any inconvenience caused, please note that this is subject to changes due to weather conditions, equipment breakdown or emergencies taking priority

Traffic management will be in operation for the duration of time we are onsite which will consist of a **Road Closure**, a diversion route will be in place, Parking will be temporarily suspended whilst the work is carried out; this will be indicated onsite with signs. Access will always be provided to residents within closed areas, although there may be some delay to ensure the site is safe to pass through, Pedestrian access should not be affected providing there are footpaths to use. If not, the onsite team will assist with this.
