Hi Caroline

Price to take down old shed and dispose of then supply and fit a 16x8 supreme workshop shed with double doors. And then supply and fit a new closeboard gate and posts total for all works comes to £2250

Many thanks carl c j fencing

Subject: Replacement Shed and Gate

Hi Carl,

Thank you for meeting me at Holy Trinity church this morning.

I attach plans showing location of large shed and tool shed.

The existing large shed measures 2.5 wide x 5.00 long x 3.3 high The planning regulations, email from MSDC attached, state *'any small ancillary building, works or equipment shall not exceed 4 metres in height or 200 cubic metres in capacity'*.

As mentioned we will need to store a four metre ladder within the replacement shed.

I look forward to receiving your quotation at your earliest.

Kind regards,

Caroline Hansen
