Subject: RE: MSDC Pilot Summer Outreach Activity Programme

Dear Sam – good to catch up with you today.

As promised I have summarised below:

As I mentioned in my email and on the phone MSDC will be offering a core programme of activities and it is hoped that local clubs and organisations could offer activities too which will give families options to get involved locally.

MSDC can also offer a specialist provider decided by yourselves – this could be:

- Circus skills
- DJ workshops
- Bike maintenance
- Face Painting
- Pocket Science
- Or a local provider within the agreed budget

I'll keep in touch and confirm the date asap.

Kind regards

Sally Blackmore

Subject: MSDC Pilot Summer Outreach Activity Programme

Dear Samantha

I am working for MSDC on delivering various activities throughout 2019 for families, children and young people. I have attached an outline of all the activities which will be delivered this year for your information.

One of these activities listed is a Pilot Summer Outreach Activity Programme where these activities will be delivered in 10 locations across the district. One of the areas we would like to visit with the programme is Cuckfield.

I have a provisional date – Thursday 15th August – at the Recreation ground from 11 – 3 p.m.

The programme will be a range of activities delivered by 2 providers working in partnership with MSDC. What I hope is that local sports clubs/youth clubs could be involved on the day and add to these activities that will be provided and also give an opportunity for families, children and young people information on how to get involved in local clubs.

I work Wednesdays and Thursdays and would be happy to have a chat on the phone next week when I am next in the office.

Kind regards

Sally Blackmore
