Dear Mrs A Jones

Sustainable Construction Supplementary Planning Document (SPD) Consultation

The SDNPA are resending notification of this consultation as there have been some issues with hyperlinks in the text below and attached letter. These issues have now been resolved and the links will take you to the Sustainable Construction SPD consultation.

The South Downs National Park Authority is consulting on the draft Sustainable Construction Supplementary Planning Document (SPD). The SPD provides further guidance to support the implementation of the South Downs Local Plan policies, in particular Policy SD2: Ecosystem Services, Policy SD3 Major Development, Policy SD22: Parking Provision (where it relates to electric vehicle charging), Policy SD48 Climate Change and Sustainable Use of Resources. The SPD therefore supports Local Plan Objective 6: To adapt well to and mitigate against the impacts of climate change and other pressures. It covers a number of detailed matters relating to new development including: energy and water efficiency, the use of low or zero carbon energy, use of sustainable materials, minimising waste and measures for adapting to climate change.

The Sustainable Construction SPD is available to view on the [SDNPA website](#) and can also be viewed at the South Downs Centre, North Street, Midhurst, West Sussex, GU29 9DH.

The consultation will run for a period of 6 weeks, commencing on Tuesday 11th February. All comments must be received by 5pm on **Tuesday 24th March 2020**.

We would like to hear your views on the document. Please respond by email to planningpolicy@southdowns.gov.uk or in writing to Planning Policy, South Downs National Park Authority, South Downs Centre, North Street, Midhurst, West Sussex, GU29 9DH.
