Subject: FW: Public consultation: Proposed budget savings within the Library Service

Hi Caroline

Please can you add this to the next planning agenda? I know it's not planning, but it's the only opportunity for Council to have a say before the consultation closes on 13th November.

Thanks.

Kind regards

Subject: Public consultation: Proposed budget savings within the Library Service

Dear Town/Parish Council,

We would like to make you aware of a public consultation currently running on proposed budget savings within the Library Service.

The public consultation closes on Wednesday 13 November. It asks people for their views on proposals to cease the mobile library service and to reduce the evening opening hours in the four main libraries (Chichester, Crawley, Horsham and Worthing) by one hour, from 7pm to 6pm from April 2020.

We are keen for as many library users as possible to take part in the consultation and share their thoughts on the proposals.

The consultation will help inform the decision, due to be taken in November by the Cabinet Member for Fire and Rescue and Communities. The decision is one of a number of options being worked up to take forward in the 2020/21 budget to help meet the funding gap currently being faced by West Sussex County Council.

To find out more and to take part, visit the [Have Your Say web page](#). Please share this link with your communities to help us reach as many library users as possible.

If you need any further information, please contact Tom Batten - tom.batten@westsussex.gov.uk

All the best
Katrina
