Subject: RE: 4SVS - update & grant application

Thank you very much,

Please find attached the completed grant application form and supporting documents as requested.

We rely solely on voluntary donations to enable us to deliver our services free of charge to members. We celebrate 100 years next year... we hope to make it there..... but we've lost 70-100K income alone this year from budgeted fundraising events. Funds we had hoped to raise through events, businesses and street collections this spring / summer has, and will continue, to be severely impacted.

Your support at this time is much appreciated and will have a direct impact on the members in Cuckfield Parish Council.

Kind regards,

Jessica Passmore

Good Afternoon,

I hope you and other parish members in Cuckfield are staying well and safe at this unusual and uncertain time.

I wondered if you would give a moment to read the letter I attach to this email regarding any available support the parish might be able to provide during this unprecedented time to support people living with sight loss in your parish at a time when it matters most.

Please do let me know if you have any further questions, or have a formal application process you can direct me to.

With your support, our Outreach Team can be there to ensure people with sight loss don't go through this crisis alone.

All the best and Kind regards,

Jessica Passmore
