Importance: High

FYI

Caroline – please can you add an item to the FC agenda to consider approval to support the foodbank for Cuckfield residents at £40 per family per week, should this be required.

Thanks.

Kind regards
Samantha Heynes

Subject: Haywards Heath Emergency Food Hub'
Importance: High

Morning all, Sam and Andrew as discussed. Santi a chat would be appreciated.

Thank you for your constructive conversations regarding the 'Haywards Heath Emergency Food Hub' and the potential for financial assistance for the project in relation to families served by the Hub in your Parish.

It would be most appreciated if your Council would consider committing funding towards the project as the Hub is already serving families in your Parishes.

What I would suggest is that your Parish Council would look to commit an amount to an agreed level and HHTC would only ask for the money when families are served (monthly basis return). At the present time with donations and our partnership with Age UK we are looking at delivery for a family of four costing circa £40 (just about a week's worth). It would be brilliant if we didn't need any of the money thb but we are being proactive here.

As you will appreciate the red flags are flying on risk as we do not know what we are going to face on a daily/weekly basis and indeed what the future holds - so we will manage the project as we go liaising with HH Foodbank who HHTC is also supporting.

HHTC has committed £8,500 to the Food Hub project plus passing £4,000 to Foodbank and is running a gofunding scheme and making grant application with Haywards Heath Mutual Aid.

We have fed 14 families to date (since launch on 20th April 2020) over and above the 24 offered per week by HH Foodbank. 4 last week and 10 so far this week. 9 in HH, 1 Cuckfield, 1 Lindfield and 3 north of the District (which we need to look at as they could be covered by EG Foodbank).

You have received all of the information in my previous email dated but I am happy to answer further questions.

Also We are looking at an MSDC grant also, which is maybe something you could look at? Thing is deadline is Friday though?

Look forward to hearing from you.

Regards
Steve
