- Councillor Burton expressed his extreme displeasure that the MSDC Site Allocations meeting on 28th August was held at short notice and during the holiday period making it impossible for voluntary councillors who work to attend. The annual fee was £70 with a one-off cost of between £250-400 for an advertisement to cover the 28-day consultation period. It was estimated it would take between 4-8 weeks to process the license. Full Council approved applying for a Business Premises License for CPC's Christmas Street Festival. The license would cover High Street, Church Street, Ockenden Lane and South Street to Church Platt. The license could also be used for any future events.

FC088 To review and agree the location of the dog and litter bins at Buttinghill

The Assistant Clerk updated Full Council on the revised location for one set of litter and dog bins approved by MSDC Planning and Taylor Wimpey. This revised location was not referred to MSDC Waste for approval. Consequently, due to Health and Safety reasons, the Waste Team had only approved collection from one litter bin. No confidential business was considered.

FC093 To note items arising after the preparation of this Agenda which the Chairman agrees to take as urgent. Such matters will be for noting only or deferral to a future meeting only

- Councillor Jill Butler informed Full Council that residents had complained about the steep path on the east side of Buttinghill (into Chapelfields). It was explained that this is not intended to be a formal footpath or access and there was nothing CPC could do until such time as it acquired the land. In the meantime, residents should write to the landowner (Taylor Wimpey).
- Councillor Jill Butler mentioned that some of the twittens are dark at night without lighting. The Chairman advised that WSCC had installed new lamp posts as necessary in line with Highway standards and it is highly unlikely that additional posts will be added.
- Councillor John Dickie informed the meeting that Buttinghill pond appears to be slipping. The Chairman agreed to have a look.

Meeting closed 10.05 pm.
